

1 March 1957

MEMORANDUM FOR: Chief, RCM/OIS 25X1A9a
Attn: [REDACTED]
SUBJECT: Forced Labor Camps in Poland -- G/S-17
REFERENCE: Case K-4530

The Geography Division holds the following information on forced labor camps and similar installations in Poland:

1. Two maps that show the distribution of forced labor camps and prisons: One, included in Section 54, Chapter V, MIS 14, Poland, shows the location of 12 major prisons and 21 known forced labor camps. The other, available at the CIA Map Library, Call No. F307-23 51485, shows the location of 48 forced labor camps in Poland and has a supplement that identifies the names of these camps.

2. Intelligence document [REDACTED] 3 May 1954, lists 35 concentration camps in Poland and document [REDACTED] 24 October 1952, identifies 15 prison labor camps in southwest Poland
